An Ordinance.

**ADJOURNED.**—Judge Melvin adjourned his Court down in Marshall, yesterday, until to-morrow—the docket up to that day having been disposed of.  
**Good News.**—One of the street cars ran over a dog, yesterday, down in South Wheeling, severing him in twain. If each car on every trip it makes over the road during the next six months, would dispose of a pair of the worthless curs in a similar manner, the community would begin to see the end of a miserable nuisance.

**GONE TO WORK.**—We hear that nearly all the men in the South Wheeling glass works who refused a few days since to work at the proposed reduction of their wages, have returned to their respective duties in the establishment, and everything down there is now quietly moving along in the even tenor of its way.

**BREAK DOWN.**—A large wagon heavily loaded with timber broke down yesterday afternoon just at the foot of John street. The pin which held on one of the hind wheels of the wagon came out, letting down the load suddenly and with a crash. The driver was thrown from his seat, but sustained no injury.

**THE Sunday Magazine, Good Words and Good Words for the Young, for May,** have been received. These monthlies are published by Lippincott & Co., Philadelphia, and are filled with the choicest articles, both in prose and poetry. Their contents are of the solid, substantial character, and the perusal of any one of the publications for a year will more than compensate for the dollars and cents charged to secure it.

**RAIN.**—There was quite a contest between the elements yesterday. Two or three slight showers fell during the afternoon. In the intervals the sun would shine out in some considerable degree of his strength. As evening approached the clouds grew thicker, and distant thunder was added to the signs of an approaching storm. After sunset the rain came down quite briskly for a few minutes, effectually laying the dust and refreshing vegetation.

**AMICABLY ADJUSTED.**—We made mention in yesterday morning's paper of an investigation before Judge Johnston the previous day, of a family quarrel. The same party who made complaint on that occasion, lodged another yesterday, against the sister of the young man who was held to bail by the Justice on Tuesday. Through the active intervention of friends the difficulty was amicably adjusted, and the parties left the Justice's office apparently pretty well satisfied with the arrangement which had been made.

**POLICE COURT.**—Yesterday morning, Judge Good being absent from the city, Mayor McClellan assumed the duty of holding the Police Court, as authorized by the act establishing that tribunal. His Honor presided with becoming dignity, and disposed of the business brought before him with commendable dispatch. The following cases were tried: Harry Harris and Edward Murphy, plain drinks, each one dollar and costs; Mary Smith, (colored), and Mary McGary, treating tumult and disorder, each five dollars and costs. None of these parties appeared to have the greenbacks to liquidate their indebtedness to the city, and we believe the whole party was sent to Castle Farris.

**BITTEN BY A DOG.**—Yesterday a large, savage dog, entered a house in Centre Wheeling and attacked a small child. Before the brute could be driven off, he wounded the little one quite severely.

**BELMONT COUNTY ITEMS.**  
The Presbytery of St. Clairsville elected the following Commissioners to stand the General Assembly of the Presbyterian Church, to meet in Philadelphia on the 19th instant: Rev. Thomas R. Crawford, of Moorefield; Rev. Samuel Mahaffy, of Washington; Joseph Blackford, Esq., of Martinsburg; and Samuel M. Boggs, of New Athens.

**COUNTY AUDITOR.**—By a recent act of the Ohio Legislature the County Auditors retire from office October 30th, instead of March 1st. Present incumbents, under the law, hold office eight months longer than the time for which they were elected. This relieves our citizens from the election of a County Auditor this fall.

**BRIDGE JAIL.**—John Hess, charged with horse stealing, escaped from the Cambridge jail on the 24th ultimo. Hess was arrested in Pennsylvania, at considerable expense, by Mr. McCreery, from whom the horse was stolen.  
On Wednesday evening last, Isaac Booth, awaiting sentence for burglary, and Lyman, who had just been convicted of a rape upon his daughter, escaped from the Monroe county jail. Booth was recaptured, but Lyman is still at large. A reward of \$300 is offered for his apprehension.

**MISS RHODA HAYES,** familiarly known as "Aunt Rhoda," probably the oldest woman in Barnesville, died on Thursday last. She was born in London county, Virginia, in 1784, and came to the neighborhood of Barnesville about the year 1830.

**DEDICATION.**—The new M. E. Church at Hendersburg was on last Sabbath solemnly dedicated to the worship of Almighty God. The day was beautiful, and the attendance was large. The service was occupied at 10 A. M. by Dr. H. W. Baker, of Barnesville, who delivered a discourse of great logical force and beauty—founded on Mark 4th, 26th and 28th v. At the close of the sermon an appeal was made to the congregation for aid to pay off the debt on the building, and in a few minutes the whole amount was realized, which was between seven and eight hundred dollars. The dedicatory services were conducted by the Presiding Elder, Rev. J. S. Bracken, who was assisted therein by Revs. Coll, Baker and Pettit.

**SOUTH WHEELING ELECTION.**—We made such arrangements on Monday as we thought would secure the returns of the election held that day in South Wheeling, the same night, but they failed to reach us in time for Tuesday morning's paper. Perhaps it is as well they did not, as in the hurry and excitement which usually prevail in footing up the lists at a late hour of the night, mistakes are almost certain to be made. The smoke of battle has now disappeared, the dead and wounded have been disposed of, and we are now able to give the correct result of the day's conflict.

**WE** begin with the Trustees, (the seven gentlemen first mentioned having been elected): S. Waterhouse, Sr., 135 W. C. Handlan, 174; Charles Otte, 161; Henry Hildebrand, 153; Christian Vieg, 131; Benedict Speidel, 111; August Miller, 99; N. P. Remick, 79; James Hobbs, 61; Jesse S. Wheat, 79; William Craig, 68; Christian Honecker, 68; Balthasar Schulz, 82; Henry Knoke, 96; Dr. J. W. McCoy, 38; John Medick, 58; Daniel Smith, 60; John Doshar, 29; John H. Hobbs, 62; R. W. Hazlett, 20; Peter Becker, 13; Adolph Fritz, 14; Charles Eschtrich, 68; Thomas Rogers, 51; Charles Landkrohn, 51.

**Treasurer.**—Michael Roth, 348; John Waterhouse, 61.  
**Assessors.**—Adam Kratz, 193; Louis Nolt, Sr., 116; William Tooner, 113; Benedict Speidel, 15; Adam Morningstar, 77; John H. Hobbs, 40; Wm. C. Handlan, 48; Henry Knoke, 45; Charles Landkrohn, 43; Geo. Burkett, 55; Alex. G. Marshall, 60. (First three named elected.)  
**Aldermen.**—John W. Schultz, 280; George Bowers, 170; John G. Battelle, 56; William B. Martin, 20. (Messrs. Schultz and Bowers elected.)

**Sergeant and Collector.**—Henry Schultz, 130; James T. McGready, 47; Stephen Waterhouse, Jr., 68; William C. Dickmann, 55. (Mr. Schultz elected.)  
**Sanitary Committee.**—Wm. Lohmann, 174; Benedict Neumann, 150; Michael Heller, 116; Fred L. Braun, 63; Nicholas Speidel, 18; Adam Wernig, 63; John Marsh, 65; A. J. Newland, 63. (First named three elected.)  
**Fire Wardens.**—Christian Hook, 117; Andrew Stock, 110; Thomas Bayless, 67; William Dietrich, 61; John J. Birch, 65; Christian Hagelorn, 45; Christian Vieg, 54; B. Neumann, 80; J. N. Speidel, 52. (Messrs. Hook and Stock elected.)

**Weighmaster and Measurer.**—Edward Jones, Sr., 303.  
We have not designated the political faith of the successful candidates, as the subject of politics was ignored in the canvass.

**ARRIVALS AT MOUNDVILLE.**—Yesterday morning the Penitentiary received three additions to the number of convicts confined therein—two from Pendleton county and one from Raleigh. The parties from the first named are Gabriel and Howard Gater, aged fourteen and sixteen years, respectively. They were tried and convicted for horse-stealing, and sentenced for two years each. They have certainly made an early start in a life of crime.

**The convict from Raleigh** is one Leonard Cole. He was tried on two indictments—one for shooting, stabbing, &c., with intent to maim, disfigure and kill Andrew P. Lowry; the other for robbing said Lowry. Cole was sentenced to the penitentiary for ten years on each charge, and has, therefore, a brilliant future before him. He is only seventeen years old. It appears from the record that after Cole shot Lowry, he knocked him in the head with a club, tried to cut his throat, robbed him of his money and stripped him of his clothing.

**These youthful offenders** are "cullud pusses."  
**LARGE DOCKET.**—There are upon the docket of Marshall county Circuit Court, two hundred and ninety cases, to be disposed of during this term, for violations of the statute against selling liquor without license.

**COME TO GRIFF.**—Yesterday morning, Officer Exley found the bearer of the substituted notice on the streets, attempting to "make a raise" by exhibiting it to persons passing by. Murphy was intoxicated, and created considerable noise and confusion. The officer lodged him in the lock-up in time for trial the same morning. For the result, see Police Court report. It is believed the certificate is a "put up" job.

**IT** is to be certified that John Murphy, Co. 1, 23d Reg't Pa. Vol., lost the use of his left shoulder in Andersonville prison, by dislocation of the same, which was not reduced until Gen. Lee's surrender, and the bearer arrived in Philadelphia eight months after the accident happened.

**From Norfolk Daily Journal, Dec. 11, 1869.**  
**KOSKOFF.**—This medicine is rapidly gaining the confidence of the people, and the numerous testimonials of its virtues, given by practitioners of medicine, leave no doubt that it is a safe and reliable remedy for RHEUMATISM, GOUT, LAMENESS, &c.  
The last Medical Journal contains an article from Prof. R. S. Newton, M. D., President of the E. Medical College, city of New York, that speaks in high terms of its curative properties, and gives a specimen of the confidence of the medical profession of medicine. This is, we believe, the first instance where such medicines have been officially endorsed by the Faculty of any of the medical colleges, and reflects great credit upon the skill of Dr. Lawrence, its compounder, and also upon the confidence of the Faculty of all other colleges of the present day.
